

BOAT SLIP BIDDING PROCEDURE

1.0 General Description

The New Jersey Meadowlands Commission will receive bids for the lease of various boat slips at its River Barge Park marina, located on the Hackensack River, at 260 Outwater Lane, in the Town of Carlstadt, New Jersey. A total of seventeen slips (numbers 1 through 17 as shown on the attached plan) are available for lease. The slips are suitable for docking a boat with a maximum length of 28 feet, including all appurtenances.

The estimated depth at high tide for each slip varies as follows:

<u>Category</u>	<u>Slip Numbers</u>	<u>High Tide Depth</u>
A	1 - 5	9' - 13'
B	6 - 11	7' - 9'
C	12 - 17	5' - 7'

NOTE: Slips 12 through 17 may have boats resting on the riverbed during periods of low tide. The depths shown above were measured at a high tide of 6.2 and while deemed accurate, are not guaranteed.

Other amenities at the marina include a free boat ramp, a waste disposal station, and a yard hydrant. There are shared hose bids located near slips Number 2, 4, 8, 10 and 14. None of the slips have electrical service.

Any prospective bidder wishing to visit the marina prior to placing a bid may visit the site from dawn to dusk 7 days a week. Directions to River Barge Park are included at the end of this document.

2.0 Lease Period

The lease shall be for a period of one year. Boats may not be launched prior to April 1 and must be removed from the marina no later than November 1.

Trailers may not be parked long-term at the marina. Trailer parking is reserved for boaters using the ramp for day trips.

3.0 License Agreement

See Attachment One.

4.0 Access To Marina

Operating hours: Lessees will have access to their boats 24 hours a day via a controlled access gate. The park will be open to the public from dawn to dusk, 7 days a week.

Security: Cameras will monitor the site 24 hours a day, 7 days a week. NJMC personnel will not be on site full time: staff will inspect the site daily and will be available by phone in case of an emergency. Contact person will be Angelo Urato at 201-460-4680.

Lessees may not be permitted to park at the site. Shuttle buses may bring visitors to the event from an offsite location: lessees may use any such shuttle service to access their boats. Details about scheduled events will be shared as soon as they are finalized.

## 7.0 Submission of Bids

Bids will be accepted up to 9:00 AM on Saturday March 23, 2013. All bids must be properly and fully completed and signed.

Bidders may submit a bid on one, all or any slips they are interested in. Bidders should note the minimum lease prices indicated on the Bid Form. Any bids submitted that do not meet or exceed the minimum will be rejected.

Deliver bids to Lisa Cameron, NJMC, 1 DeKorte Park Plaza, Lyndhurst, NJ, 07071. Call (201) 460-4658 with any questions. You may bring your bid(s) to the bid opening or deliver them in advance. No bids will be accepted after 9:00 am on March 23<sup>rd</sup>.

Bidders need not attend the bid opening. However, it may be helpful to be present, in the event that a bidder is unsuccessful in securing their first choice of slip and then wishes to bid on the next category.

Bidders shall submit a security deposit for each bid submitted. For each Category A slip, bid security shall be \$180. For each Category B slip, bid security shall be \$120. For each Category C slip, bid security shall be \$100. The deposit shall be included with the bid and may be a personal check made out to the New Jersey Meadowlands Commission. Bid security will be returned to all bidders, except the high bidder for each slip, within one week of the opening of the bids. The bid security of the high bidders will be returned, or applied toward the lease, at the bidder's option.

## 8.0 Bid Opening Procedure

Bids will be collected for Category A: the top 5 bidders will be awarded leases. The highest bidder will have the first choice of slip, with the remaining high bidders to follow in order. In the event of equal bids, the slips will be assigned, in number order, by a random drawing of the highest bidders' names.

Bids will next be collected for Category B: the top 6 bidders will be awarded leases. The highest bidder will have the first choice of slip, with the remaining high bidders to follow in order. As previously, in the event of equal bids, the slips will be assigned, in number order, by a random drawing of the highest bidders' names.

Lastly, bids will then be collected and opened for category C and the same procedure will be used to assign the slips.

#### 9.0 Right of First Refusal

Lessees for the 2013 season will have the option of renewing their lease(s) before public bidding for the next (2014) season. Renewal shall apply to the same slip only: a lessee wishing to change slip locations must bid with the general public. Renewal commitment must be made prior to the start of the next bidding cycle. Lessees will be notified of the bid schedule.

The minimum rates prevailing for the new (2014) season will apply to renewed leases. NJMC may adjust rates, no more than once annually, as it deems necessary, to help recoup the costs of operating and maintaining the facility.

#### 10.0 Payment

A minimum twenty percent down payment is required at the time the lease is signed. Full payment for the year will be required before the lessee occupies the slip; or by May 31, 2013, whichever comes first.

#### 11.0 Insurance

Each lessee is responsible for providing insurance coverage for all vessels and equipment, in accordance with the attached License Agreement. Copies of insurance certificates, with NJMC named as additionally insured, shall be provided prior to occupying the slip.

#### 12.0 Liability

The New Jersey Meadowlands Commission assumes no responsibility or liability for use of the slip. Licensee shall indemnify the NJMC of any damages resulting from the use of the boat slip, in accordance with the License Agreement.
