*Canoeing is a fun and wholesome recreational activity. The NJ Meadowlands Commission has been offering Canoe Trips for years throughout the Meadowlands. If you are wondering where, then you should join us for this guided program. We supply all of the equipment and explain a couple of helpful canoeing tips before getting on our way.*

*There are several sites throughout the Meadowlands for exploration. All trips are led by an experienced NJMC tour guide. All locations offer amazing diversity in vegetation and wildlife, as well as history. You can learn the basics about salt marsh ecology and at the same time participate in a leisurely yet exhilarating sport. As you gently paddle down the stream, you'll enjoy the magnificent scenery both natural and manmade.*

*Trips last approximately 3 hours. Ages 10 and up. Each canoe will hold up to 3 people and it is preferred that at least one person has some experience. Registration fee \$15/person. Pre-registration required.*

*Due to the overwhelming response to our trips, we regret that no reservations can be firmly held until we receive your reservation form along with your check. To avoid disappointment, mail your request as soon as possible. Upon receipt, directions will be mailed to you.*
