Pledge Sheet

Our team is asking for your support by helping Meadowlands Marsh Hawks to participate in our first annual World Series of Birding competition. We will be exploring every nook and cranny in Bergen County in search of as many bird species as we can find.

Your pledge on the number of species of birds seen by the Marsh Hawks will help support bird research projects in the Meadowlands and continue assisting students from Ramapo College of New Jersey gain invaluable experience working with and for conservation efforts in the Meadowlands. For example, if 130 species are found and your donation is for \$.25 per species, the donation toward our research and education program would be \$32.50. Donations may be tax-deductible.

After the conclusion of the World Series of Birding, we will send you a complete list of the birds counted and a letter documenting your generous donation. **Thanks for your pledge and your support!**
