Enjoy a guided pontoon boat cruise along the Hackensack River and its marshes with staff from the New Jersey Meadowlands Commission (NJMC).

We'll talk about the history of the river and its tributaries, including its natural and man-made features, and look for birds and other wildlife that inhabit these marshes. The leisurely cruise is a great way to see nature up-close and to photograph and make videos of the natural beauty of the Meadowlands and its unique urban eco-system.

Trips last approximately 2 hours and leave from River Barge Park in Carlstadt. The cruises are for ages 10 and up. Cost is \$15 per person and pre-registration is required. The pontoon boats hold up to 12 people. Groups trips are also available. Cruises are fully insured by the NJMC.

Due to the overwhelming response to our pontoon boat cruises, reservations cannot be held until we receive your registration form and check or cash payment. We do not accept credit card payments. A confirmation letter and directions to River Barge Park will be mailed to you once we receive your payment.

For more information, to check trip availability and to arrange group tours, contact Gabrielle Bennett-Meany at 201-460-4640.

Inclement Weather: *In the event of bad weather, cancelled trips will be rescheduled for the sa.m.e day and time the following week. We will contact you regarding cancellations and make-up dates.*
